

## Notice about FCC License Renewal

On November 17, 2021, Cooperative Television Association of Southern Minnesota (“CTV”), licensee of the 24 low power television stations listed below, filed four applications with the Federal Communications Commission (“FCC”), each for the renewal of six of the stations’ licenses. Members of the public wishing to view these applications or obtain information about how to file comments and petitions on the applications can visit the FCC website’s copies of the applications [here](#), [here](#), [here](#) and [here](#).
